NOTE

- * Colore a bassa copertura, non utilizzare per applicazioni a film sottile (Sistema Factory n° 2) e film spesso (Sistema Factory n° 3); a parete prevedere l'applicazione di una mano di fondo supplementare di colore bianco
- ** La particolare finitura del prodotto non consente la riproducibilità esatta del colore RAL indicato

Le tinte rappresentate nella presente cartella colori sono puramente indicative. Per la scelta delle cromie fare riferimento alla mazzetta Colori RAL Kerakoll COLORI NON STANDARD

Per i colori non standard e non codificati devono essere sempre richiesti fattibilità, tempi di consegna ed eventuali quantitativi minimi.
